# TROOP Planner

## Centralized meeting planning & travel logistics

**Built for Executive Assistants and meeting planners,** TROOP Planner takes the stress out of organizing in-person meetings. From selecting the right city to coordinating attendees and managing costs, everything happens in one easy-to-use platform.

No more spreadsheets, email chains, or scattered tools—just clear, confident planning from start to finish.

# How TROOP works for you

### Maximize time
Easy access to the research and planning you need to make confident decisions.

### Stay on budget
Easily estimate budgets, track changes, and report on costs to stay on target.

### Gain visibility
Keep every meeting and attendee detail in one place to ensure nothing falls through the cracks.

### Make your case
Impress stakeholders and attendees alike with flawlessly planned and executed meetings.

# What's included?

**Research and planning**

**Budgeting**

**Attendee coordination**

**Meeting and travel logistics**

## Why TROOP?

- Get up and running quickly—minimal setup required
- Real-time data insights from leading providers for smarter planning decisions
- Committed to protecting your data through security best practices, including SOC 2 compliance
- Backed by industry leaders Madrona and Durable Capital to support long-term growth and innovation
